

# Cumberland Lounge

Located on Level 1, the Cumberland Function Room can cater up to 700 guests. The floor to ceiling windows allow for natural light to stream into the room & gives guests direct sight of the playing field. Through the use of 6 fully sound proof movable walls, the function space can be easily divided into individual function areas, allowing for events or functions to be activated simultaneously without disruption. The large Bi-fold glass doors overlooking the arena offers your guests the option of an enclosed function space or opened to create a terrace alfresco feel from your room.

## Facilities:

- Soundproof operable walls for multiple room configurations
- Direct access to 3 kitchens
- Access to 3 bars
- Cloaking facilities
- Internal WC facilities
- Audio visual & IPTV screens
- WiFi connectivity
- Bi-fold doors opening to the field of play
